

FIRST ADDENDUM TO EXPANDING IMT (OUTBOUND) BUSINESS REQUIREMENT DOCUMENTS

DATED June 12, 2020

1. This addendum is to be read as part and parcel of the business requirement document and takes tenure, terms and form of the business requirement document.
2. We are making a process change on Eazzy App, Eazzy Net and Over the counter.
3. The business requirement document will remain in full force and effect save for the clauses that have been varied under the first addendum.
4. The business requirement document was documented on July 9, 2019 to provide requirements for Expanding IMT Outbound

IT IS NOW AGREED in consideration to the signed business requirement to amend the requirements as follows: -

In the Business requirement document, it is agreed that:

Whenever a customer initiates a transaction from the Eazzy App, Eazzy Net, Eazzy Biz or Over the counter they will select send Money then International Money transfer and not the Partner as earlier indicated.

The Partner will be selected automatically by the system depending on the following:

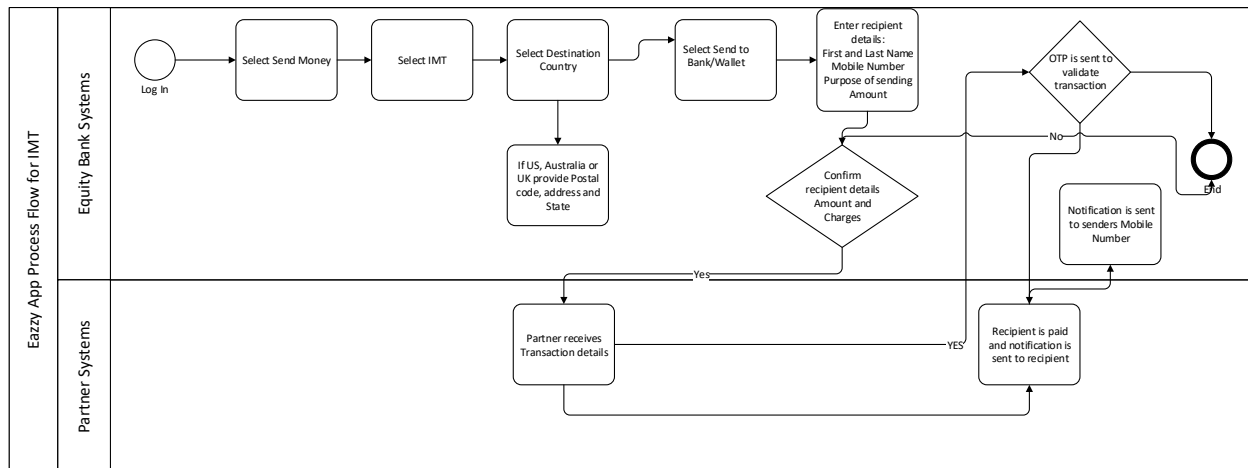

- Destination (recipient) Country
- Service request – Send to Mobile or Send to Bank.
- Some partners are not connected to some Banks/Telco's in a particular country

The following Business Rules will apply depending on the recipient country:

- The system will be dynamic to request the sender for additional information specific to the receiving country. Eg US, Australia and UK the customer will be required to provide address and postal code.
- For transactions terminating to India , Turkey and China, you will need to also fetch/pass the sender's city and nationality and DOB. India, the purpose of payment they will not allow the option for Gifts or donations.

Process Flows:

Eazzy App
